Did You Know ?

You may be able to charge the cost of your Thompson Grants subscription to your federal grant(s). For state agencies and other nonfederal entities, under the cost principles of the uniform guidance, there are allowable items of cost for subscriptions (§200.454(b)) and professional development (§200.473). Please check

with your program director, finance officer or granting agency to ensure there is no restriction in the approved grant budget or the award documents.
